

MICHIGAN DEPARTMENT OF NATURAL RESOURCES

INTEROFFICE COMMUNICATION

TO: Karl Zollner

SUBJECT: N.P.D.E.S. Applications

FROM: Chester Harvey

DATE: December 5, 1975

EPA Region 5 Records Ctr.

273442

1. **Hartford Plating and Manufacturing Co.**
Our staff has confirmed that this business has been closed out and the liquids hauled away. This removes the necessity of drafting a permit.
2. **Broson Specialties, Inc., Fiberglass Division**
No permit is necessary for this operation. Waste is all sanitary sewage and goes into the sanitary sewer system.
